#### KEY STEPS TO EFFECTIVE ADVOCACY

# 1 KNOW YOUR OPPONENT

➤ Who has the authority to give you what you need?

- Sped Director vs. Team Leader
- Agency Case Worker vs. Director

► Insurance Company

- What is the policy/procedure in the given situation?
- Read the policy manual
- Know the rules

➤ What is the personality you are dealing with?

- How do they usually respond to similar requests?
- How familiar are they with their own rules and regulations?
- Do they have specialized knowledge in this area?
- Do you have anything in common with them?

## 2 BE AN EXPERT IN YOUR FIELD

Know what you are asking for

- A new technique
- A certain piece of equipment
- A diagnosis

➤ Have the research handy

- Let the experts make your case
- Do demonstrations
- Take pictures

#### **3** BE CREATIVE

>You have all the answers!

Craft a solution right from the beginning

➤ Work backwards from there

➤ Keep it simple

➤ Use visuals if you can

### 4 COMMUNICATE EFFECTIVELY

➤ Take the emotion out of it (unless you know that works with your opponent

➤ Be concise

> Practice if you need to

Use written tools to assist you

### 5 BE PREPARED TO...

**≻**Compromise

**≻**Lose some

➤ Be clear

➤ Be upset (behind the scenes)

➤ Be patient

- Your timelines are yours (and not anyone else's!)
- It took you a long time to learn, too!
